ACADEMIC DETAILS

Degree/Exam	University/School	Year	CGPA/%
B.tech in Computer Science	Graphic Era Hill University	Oct 2020 - Present	8.0/10
12th,CBSE	Naini Valley Sr.Sec School	2020	62%
10th,CBSE	Naini Valley Sr.Sec School	2018	60%

INTERNSHIPS AND EXPERIENCES

- **Cod Soft [Software Developer Intern]** (*Aug 2023 - Sep 2023*) :- Developed console-based applications at CodSoft as a proficient C++ Software developer, focusing on coding, debugging, and team collaboration. Delivered efficient software solutions, contributing to project success.

- **Code Clause [Web Development Intern]** (*Nov 2023 - Dec 2023*) :- Developed Various applications with hands-on experience during a web development internship at Code Clause Proficient in key technologies and frameworks.

TECHNICAL SKILLS

- **Languages** (C++, HTML, CSS, Java script, React Js, MYSQL, GIT).

- **Course Work** (Operating System, DBMS, Computer Networks, Machine Learning, DS and Algorithms).

PROJECTS

- **Face Recognition System** (*Feb,2023 - Apr,2023*) :- The project is a real-time ai machine learning powered facial recognition system.It features a user-friendly interface, access control, and continuous learning for enhanced adaptability. The technology stack includes OpenCV for video stream analysis and Python for seamless implementation.

- **Z-Cart(E-commerce Website)** (*Sep,2022 - Nov,2022*) :- Developed a responsive e-commerce website using HTML, CSS, and Basic JavaScript for the front end. Designed intuitive user interfaces, prioritizing seamless navigation and ensuring a visually appealing, user-friendly experience. The project showcases expertise in front-end development and user-centric design principles.

- **Contact Management System** (*Apr,2022 - June,2022*):- Developed a Contact Management System to streamline organization and accessibility of contact information for big data. This system enables users to efficiently store, retrieve, and manage their contacts, improving overall contact management efficiency.

ACHIEVEMENTS AND CERTIFICATIONS

- Solved 200+ problems on LeetCode and GFG.

- Achieved 1130th rank in Leetcode Contest.

- Cleared both rounds of CodKaze a Coding Competition Conducted by Coding Ninjas.

- Completed Full Stack Software Developer Professional Certificate From CourseEra.

POSITIONS OF RESPONSIBILITY

- **Project Team lead** :- Managed team members, task assignments, and deadlines, ensuring seamless progress.With expertise in problem-solving, adaptability, and ownership, driving to project success.

- **Organizing Member of Valorant Tournament** :- Organized a successful Valorant tournament with A total of 35 teams (150+ participants). Implemented effective communication strategies and contributed to community growth, establishing the organization as a hub for esports players.
